## **Message from the Principal:**

Attendance is critical to the success of all students that we serve at Weslaco ISD. As a result, this is the time of year that students are doing whatever it takes to accumulate minutes to help recover credits that they have lost due to attendance. It is important that we accurately record the students absence since at times students arrive late after attendance has been taken in class. If a student has been marked absent yet he/she arrived late, make sure the absence is removed and the tardy has been documented. Attendance can be corrected until the of the day.

## **Weekly Spotlight:**

Kudos to all departments for being a collective unit as we prepare our students for the next level. Moreover, coming together to analyze data and focusing on
