Weekly Events and Birthdays:

Message from the Principal:

In the last few days, I have seen how the support and assistance from teachers, staff and administrators has showcased how much we are invested in the safety and education of students, teachers and staff here at EAST. When we actively work together to minimize disruptions around campus, we see a difference and it's appreciated by all stakeholders that we serve. Thanks again for all your help and I will continue to serve your needs along with the needs of the students.
