## **Message from the Principal:**

Great things are happening here at East! Please make sure you let us know when special projects, assignments or events are being done in your class so we can let our fans know through social media. All hard work and dedication must be made public so we encourage everyone to take pictures, give us a small description of what is happening so we can “SCREAM” it to Weslaco.

## **Weekly Spotlight:**

With the implementation of new curriculum developed over the summer, our English teachers have been working hard in strengthening the areas of need so we can continue to see improvement. Great Job English department!

Our Fine Arts department published their first ever Fine Arts Update. Mr. Ramirez did an excellent job highlighting the great things happening at EAST in the form of a newsletter. If you did not get your copy, let him know so he can provide you with one. We anxiously await for the next one.
