

**“Creating New Visions;  
Reaching New Horizons”**

### **Message from the Principal:**

Open house is a time when we get to talk to parents and make connections with one of our greatest allies in the world of education. I hope those connections were established during our Fall open house and the lines of communication were open. Keep in mind that we do have resources available to make contact with parents and if necessary make home visits. See Mrs. Lopez, our parent specialist, if you have any questions.

### **Weekly Spotlight:**

Homecoming activities will take place the week of September 24-28. We will finish the week with our Homecoming game against Donna North.

Our CC runners, volleyball and tennis players have been excelling at their meets/matches. Please take time to

visit with our students and ask them details as to how they represent EAST. They are always enthused when they are asked about their athletic events.
